NATIONAL WILDFIRE COORDINATING GROUP POSITION TASK BOOK

Position Task Books (PTBs) have been developed for designated positions within the National Interagency Incident Management System (NIIMS). Each PTB lists the performance requirements (tasks) for the specific position in a format that allows a Trainee to be evaluated against written guidelines. Successful performance of all tasks, as observed and recorded by an Evaluator will result in a recommendation to the agency that the Trainee be certified in that position.

Evaluation and confirmation of the Trainee's performance of all the tasks may involve more than one Evaluator and can occur on incidents, in classroom simulations, and in other work situations. **Designated PTBs require position performance during which the majority of required tasks are demonstrated on a wildland fire. Wildland fire includes; wildfire, prescribed fire, and wildland fire use. Some positions require that specific tasks be performed on a wildfire. Performance of these tasks on other kinds of incidents is NOT qualifying.** It is important that performance be critically evaluated and accurately recorded by each Evaluator. All tasks must be evaluated before recommending certification. All bullet statements within a task which require an action (containing an action verb) must be demonstrated before that task can be signed off.

A more detailed description of this process, definitions of terms, and responsibilities are included in the PMS 310-1, NIIMS Wildland Fire Qualification System Guide. A brief list of responsibilities also appears below.

RESPONSIBILITIES:

1. The **Home Unit/Certifying Official** is responsible for:
 - Selecting Trainees based on the needs of the Home Unit/Certifying Official and agreements with cooperators.
 - Ensuring individuals selected as Trainees are qualified in any prerequisite position and have successfully completed all Required Training prior to PTB initiation, task evaluation and/or position performance.
 - Initiating and explaining the purpose and proper use of the PTB, and the training, qualification and certification process.
 - Ensuring the Trainee has the opportunity to acquire the knowledge/skills necessary to perform the position.
 - Providing opportunities for non-incident ("O") task evaluation, for position performance assignments on local incidents, and/or make the Trainee available for assignments to larger incidents.
 - Tracking the progress of the Trainee.
 - Reviewing and confirming the completion of the PTB and making a determination of certification.
 - Issuing proof of certification as required by PMS 310-1.

2. The **Trainee** is responsible for:

- Reviewing and understanding instructions in the PTB.
- Meeting with the Trainer/Coach and/or Evaluator and identifying desired goals and objectives for an assignment.
- Ensuring readiness to perform the tasks of the position prior to undertaking a position performance assignment.
- Providing background information (training and experience) to the Trainer/Coach and/or Evaluator.
- Completing the PTB within the three-year time limit. If the PTB is not completed in three years from the date of the PTB initiation (or first task being evaluated), the PTB will no longer be valid. A new PTB may be initiated, but all current qualification standards will then apply.
- Ensuring a qualified Evaluator completes the appropriate Evaluation Record, initials completed tasks, and enters a number in the Evaluation Record # column.
- Providing a copy of the completed PTB to the Home Unit/Certifying Official.
- Retaining the original PTB.
- Providing proof of qualifications on an incident.

3. The **Evaluator** is responsible for:

- Being qualified in the position being evaluated.
- Meeting with the Trainee and determining past experience and training, current qualifications, desired goals and objectives of the assignment.
- Reviewing the tasks in the PTB with the Trainee and explaining the procedures that will be used in the evaluation and the objectives which should be met during the assignment.
- Reaching an agreement with the Trainee on the specific tasks which can be performed and evaluated during the assignment.
- Accurately evaluating and recording the demonstrated performance of tasks.
- Completing the appropriate evaluation record in the back of the PTB.
- Completing the verification statement inside the front cover of the PTB once all tasks in the PTB have been completed and signed off.

4. The **Trainer/Coach** is responsible for:
 - Being qualified in the position for which training is being provided.
 - Meeting with the Trainee and determining past experience and training, current qualifications, desired goals and objectives of the assignment.
 - Reviewing the tasks in the PTB with the Trainee and explaining the procedures that will be used in the training assignment and the objectives which should be met during the assignment.
 - Reaching an agreement with the Trainee of the specific tasks which can be performed during the assignment.
 - Documenting training assignment according to agency policy or Home Unit/Certifying Official procedures.

5. The **Training Specialist** is responsible for:
 - Meeting with the Trainee and determining the type of assignment necessary (position performance or on-the-job training).
 - Identifying opportunities for on-the-job training and position performance assignments which meet the Trainee's needs and objectives.
 - Working with the incident or Home Unit/Certifying Official to identify and assign qualified Evaluators.
 - Initiating a PTB after acquiring authorization from the appropriate agency official of the Home Unit.
 - Documenting all on-the-job training and position performance assignments.
 - Conducting periodic progress reviews to ensure assignments are proceeding as planned.
 - Conducting a close-out interview with the Trainee and Evaluator to ensure that the PTB has been properly completed.

INSTRUCTIONS FOR EVALUATION RECORD

There are four separate blocks allowing evaluations to be made. These evaluations may be made on incidents, simulations in classroom, or in daily duties, depending on what the position task book indicates. This should be sufficient for qualification in the position if the individual is adequately prepared. If additional blocks are needed, a page can be copied from a blank task book and attached.

COMPLETE THESE ITEMS AT THE START OF THE EVALUATION PERIOD:

Evaluator's name, incident/office title, and agency: List the name of the Evaluator, his/her incident position or office title, and agency.

Evaluator's home unit address and phone: Self-explanatory

#: The number in the upper left corner of the Evaluation Record identifies a particular experience or group of experiences. This number should be placed in the column labeled "Evaluation Record #" on the Qualification Record for each task performed satisfactorily.

Location of Incident/Simulation: Identify the location where the tasks were performed by agency and office.

Incident Kind: Enter kind of incident; e.g., wildfire, prescribed fire, wildland fire use, search and rescue, flood, etc.

COMPLETE THESE ITEMS AT THE END OF THE EVALUATION PERIOD:

Number and Type of Resources: Enter the number of resources and types assigned to the incident pertinent to the Trainee's task book position.

Duration: Enter inclusive dates during which the Trainee was evaluated. This block may indicate a span of time covering several small and similar incidents if the Trainee has been evaluated on that basis; e.g., several initial attack wildfires in similar fuel types.

Management Level or Prescribed Fire Complexity Level: Indicates ICS organization level; i.e., Type 5, Type 4, Type 3, Type 2, Type 1, Area Command or prescribed fire complexity level (low, moderate, high).

NFFL Fuel Model: For wildfire, prescribed fire and wildland fire use experience enter number (1-13) of the fuel model(s) in which the incident occurred and under which the Trainee was evaluated.

Evaluator's initials: Initial here to authenticate your recommendations and to allow for comparison with initials in the Qualifications Record.

Evaluator's relevant red card rating: List your certification relevant to the Trainee position you supervised.
