

L-280, Leadership to Followership (Applies to 2008 Version)

The PowerPoints on the Course Materials CD (NFES 2992) do not contain the video files you will need to present this course. The associated DVD (NFES 2993) containing the video files will also need to be ordered for the course. Instructors will have to switch back and forth between the CD and DVD to run the videos. Refer to NWCG National Fire Equipment System Catalog Part 2: Publications at <http://www.nwcg.gov/pms/pubs/pubs.htm> for additional ordering information.

All radio equipment and radio frequency use for the course (classroom simulations, field exercises, course logistics, etc.) requires specific authorization and must be coordinated and assigned through the local agency frequency coordinator or the Communications Duty Officer at the NIFC National Interagency Incident Communications Division, as appropriate. Radio equipment and frequencies for training should be requested well in advance of course start date (at least two months) and shall be released/returned to the issuing entity upon course conclusion.
