

G-131, Wildland Training (FFT1) for Structural Firefighters (Applies to 2008 Version)

The two videos referenced as optional in Unit 14 and in Appendix A (NFES 2291 – The Properties of Foam and NFES 2404 – Tactical Applications with Class A Foam) have been removed from PMS; no replacements available.

G-131, Wildland Training (FFT1) for Structural Firefighters (Applies to the 2008 Version)

Due to transition of the Fireline Handbook (PMS 410-1) to the Wildland Fire Incident Management Field Guide (PMS 210), the following update is suggested for the G-131 final exam.

Question #11: What reference guide contains the explanation of the difference between a “fire weather watch” and a “fire weather warning”? (1 point)

Answer: IRPG
